### FAQ's

**Visa's:** Working visa's for China will be arranged by your Chinese employer. They will usually require a minimum 6 month contract. For accompanying family members they can usually get multi-entry 90 day visa to enable them to live in China with you. They would have to visit outside of China to Hong Kong for example every 90 days. (Similar arrangements for Vietnam)

**Accompanying family:** Other family members can accompany, but visa's will have to be arranged.

**Accommodation & Meals:** These can be included as part of your remuneration with either short or long term placements. Short-term placements often have dormitory style accommodation. Placements for 6-12 months would generally entitle you to private apartment accommodation.

**Remuneration:** Short term placements are generally on a volunteer basis, with basic accommodation and meals provided. Contracts of 6-12 months will enable negotiation of monthly salary at local rates. This is generally in the range of ¥2,000 to ¥4,000 per month. (similar local wages are available for Vietnam for longer term stays)

**Airfares:** For contracts of 12 months, reimbursement for international airfares to and from China can be negotiated.

**Travel Insurance:** We highly recommend you take out long term travel insurance to cover you in case of medical emergencies and evacuation. Our corporate travel agent can provide a highly competitive quotation for this.

**Your Employer:** Depending on the assignment you will be employed directly by a school, school district or employment agency in China/Vietnam. Working conditions are negotiable and according to local conditions. The Asia Literacy Teachers Association of Australia Inc, is not the employer, and acts only as your agent to source the opportunity and to assist with the establishment of your employment relationship.
